TO: Interested Parties

FROM: Susan DeBlasio, RFP Coordinator

SUBJECT: Amendment 2 - RFP K160 – Washington Health Program

Amendment 2 to the above Subject RFP has been issued. This amendment makes two corrections and provides (in a separate document) the information regarding Large Claimants Condition Distribution as stated in HCA's Answer to Bidder Question # 42 in Amendment 1. This document should be considered part of the Data Book made available in Amendment 1.

Please note that a "pdf" version of the Data Book has been posted to the website. Upon request, it is available as a "zipped" Excel email attachment. Be aware that this is a large file (14MB zipped) and not accepted by all email systems.

Correction 1:

The Basic Health Enrollment Summary provided as an attachment to Amendment 1 and posted to the HCA website was missing one page. The complete version has been posted.

Correction 2:

The cover letter to Amendment 1 issued February 24, 2010 contains an error in the RFP Schedule and indicates that the date to begin receiving applications is June 1, 2010. As noted in the Amendment, the date to begin accepting applications is May 1, 2010.

The remaining corrected Schedule for this procurement is as follows:
